September 22, 2011

DR. OZ IN OC!

If you're not already headed over to the Susan Komen Orange County Race for the Cure on Sunday, here's another great reason! The special day that supports local breast health education, awareness programs, services and breast cancer research now includes a special appearance by Mehmet Oz, MD, the best selling author and two-time Daytime Emmy Award winner of the Dr. Oz Show. Dr. Oz will address the nearly 30,000 expected spectators and participants at the event during the Survivor Tribute, where more than 2,000 breast cancer survivors will be honored on race day. Nearly \$1.9 billion has been invested by Susan G. Komen for the Cure to help end breast cancer forever. For more information on the Orange County Affiliate of Susan G. Komen for the Cure, please visit www.komenoc.org.
