**Kerry Johnson Anthony, President**

*Susan's Healthy Gourmet/LifeSpring Nutrition/Xan Confections, Irvine*

Kerry Johnson Anthony is successfully managing and growing three companies as president of Susan's Healthy Gourmet, LifeSpring Nutrition, and Xan Confections. An integral part of Susan's since the company started delivering fresh, healthy calorie controlled meals to homes and offices in 1996, she worked in nearly every position before being appointed president. Under her leadership, combined annual revenue for the three companies has exceeded \$10 million. Kerry is also responsible for fostering a collaborative company culture, creating an exceptionally high employee retention rate. She has made marked contributions to the healthy food and chocolate industries, including playing an integral role in the formulation and marketing of Xan's new line of CocoXan "chocolates with benefits," upscale truffles infused with fortified ingredients such as DHA and CoQ10. Kerry is also a

fledgling philanthropist, committed to helping various local causes, such as CHOC Follies, Segerstrom Center for the Arts and organizations benefiting disadvantaged women and girls.
