Haskell & White LLP Announces Move to Larger Spectrum Location

IRVINE, Calif. – Haskell & White LLP (www.hwcpa.com), one of the largest independently owned accounting, auditing and tax consulting firms in Southern California, today announced the upcoming relocation of its headquarters to a new location within Irvine Spectrum at 8001 Irvine Center Drive Suite 300 in Irvine, Calif.

Haskell & White’s new higher-profile location will measure over 19,000-square-feet in a Class A building. Its expanded floor plan features a more efficient design and will unite the firm’s staff in a cohesive environment mirroring the firm’s culture of teamwork. The previous location in Irvine required the staff to stretch over two floors as the firm continued to expand during its more than 20 years in business. The new location, within the Irvine Spectrum central corridor, is prominently adjacent to the entertainment core of Orange County.

“We are looking forward to this move, and being in the most visible central hub of Orange County’s business and entertainment center,” said Wayne Pinnell, Managing Partner of Haskell & White. “The new location will position the firm for further growth and development in years to come as a visible cornerstone of the Orange County business community.”

Haskell & White currently has approximately 70 members and a second office in San Diego, making it one of the largest independently owned accounting firms in Southern California. Haskell & White's new mailing address, as of Jan. 1 will be:

8001 Irvine Center Drive

Suite 300

Irvine, CA 92618
