Tredway Lumsdaine & Doyle LLP Celebrates 50 Years in Business *Irvine Office Hosts Second Harvest Food Drive to Commemorate Milestone Year*

IRVINE, Calif., Sept. 7, 2011— The notable Southern California law firm Tredway Lumsdaine & Doyle LLP is marking 50 years of successful client service with an anniversary celebration in Irvine this month and a food drive for Second Harvest Food Bank of Orange County. The firm offers legal expertise in a wide variety of practice areas, primarily for private companies, professionals and high-net-worth individuals.

Attorneys at Tredway Lumsdaine & Doyle provide service from four offices – the original Downey location, Irvine, Long Beach and Beverly Hills. The regional firm’s attorneys are known for their ability to develop long-term client relationships, fulfilling both the professional and personal legal needs of their clients. The firm has maintained a consistent presence in Orange County for nearly two decades and has been a fixture in Southern California for 50 years.

The firm’s continuing growth has led to new practice areas, deepening existing practice areas and adding attorneys to the roster. The most recent addition was in June 2011, when highly regarded estate planning attorney W. Bailey Smith became “of counsel” to the firm.

“We are proud to be celebrating 50 years of serving our clients and recognize this milestone as a significant achievement for all of our attorneys,” said Mark Doyle, founding Irvine partner. “While the firm began in Downey and is an active member in that community, we have seen over the past 23 years that Tredway Lumsdaine & Doyle is a perfect fit for Orange County with our focus on closely held companies, successful entrepreneurs and dedication to relationship building.”

Hosted for clients, friends and professional partners, the Sept. 22 event is the second in a series of three celebrations hosted by the firm’s offices. To mark the occasion in Orange County, Tredway Lumsdaine & Doyle has orchestrated a canned food drive that began in the Irvine office on Labor Day. Canned food and monetary donations are being accepted from guests at the 50th anniversary celebration in Irvine, as well as at the firm’s Irvine office from now through Sept. 30.

Tredway Lumsdaine & Doyle is proud to be an advocate of corporate social responsibility, donating employee time and resources to local charitable organizations. Among the many groups supported are The Arc of Los Angeles and Orange County, Susan G. Komen for the Cure and Share Our Selves.
